

Happy Return

----Rev. John Mark (Wahab).

“... And God saw that everything is good”.

What was good? Do we see anything is good? Is air left pollution free? What about water? Please tell me, what is good or left in good shape?

We must believe the merciful God. He is sagacious, almighty, having all power in heaven and on earth, and till today, as He is eternal Creator, Sustainer, Comforter, Healer, Guide and He is capable to perform all, which is beyond the power of the tiny but loves man.

He created Adam, the first man, in His own image, to represent Him, the merciful and miraculous beloved God. The Creator exclaimed with great satisfaction that it is best and excellent!

A just-born baby, in 21 century, would differ with the written Word of God on comparing the prevailing relationship among humanity. This world is a vast platform of chose, conflict, blood shedding, hatred and all kinds of illegal practice. Alas! The world is now an apple of discord.

When did arrogance take place in the so good and holy creation? When this sweet scene did turn into contamination? Is it the first man who should be responsible? Of course! Arrogance polluted him to violate the high command of the merciful God, the creator of all the good things.

Water was mixed with milk to earn extra gain. Word and works started moving toward two different directions. The same blood of Adam is flowing through the artery of his children till today, as if the same attitude is leading all humanity without exception.

The compassionate God found all things is mass. He loves all, has compassion for His choice full creation with all other, had chalked out a remedy to redeem them at any cost and planned to put anti-virus agent in them to keep from further deterioration.

God is spirit and truth. He is Word. He sent His invincible Word, in a human body to expiate the sin of the humanity. That is final and unique.

Jesus Christ is the incarnate Word of God, and also the incarnate Spirit of God, came to this polluted world to give away His pure unblemished life as a ransom of sin in place of human being. He is the perfect Lamb of God to die in place of the sinners of the world.

I guess, all would admit the idea that detergent was invented to clean the dirty things. In the course of this item went in the hands of the commercial minds and they turned into a lucrative source of income. You would see lot of soap factories are involved with making

money. The commercial minds, in the same way, have been using the Word of God even the Lord Jesus Christ, as capital, to earn their livelihood.

The Word of God must not be treated as the earning capital; it is to clean the hearts and minds to regenerate man. It is so clearly written in the divine book that if any one is in Christ, he becomes a new creation, his old things are gone, and every-thing becomes new, and this is being done by the power of God. When the attitude of any man is changed he started observing the old things afresh in a positive notion.

This world is now disputant, hostile and chaotic. Instead of befriend man become inimical and suspicious to each other. They become pessimistic instead of the recurring promises of God for protection and leading them on. None is left to trust the unfailing promises of the Almighty One, Who alone have all power in heaven and on earth. All of His Words are being treated as if bank note of any bankrupt persons. Is God a liar? Who would dare to claim and prove so? The merciful God gave the Word of remedy and consolation as, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land 2 Chronicles 7:14. God so loved the world that He gave His lamb to die for the world, and whoever believes in Him have sanctified eternal life to enjoy pleasing carefree constant fellowship with the merciful God—the Father of the believers.

Let us cease all sorts of fights against one another and enjoy sin-free and carefree life to fulfill the perpetual plan of God. We are brothers and sisters, richly blessed in His resourceful creation, asked to multiply and fill the field for His glory.

"So God created man in his own image, in the image of God created he him; male and female created he them. And God blessed them, and God said unto them, be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moves upon the earth. (Genesis 1:27, 28). Come now, and let us reason together, said the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. (Isaiah 1:18)

Let us come to our beloved and merciful God Who has exonerated and reconciled us through Jesus Christ, the pinnacle of love and righteousness.
