

# House of god

----Rev. John Mark (Wahab).

House of Common! Parliament House! White House! People of the world have made lot of houses for different purposes. They are used to do so to protect their commodities, prepare food and to preserve the materials, store house for future, Kitchen house, rest house (room), and house for God etc.

We are used and bound to do so in case of dresses, winter dress and summer dress. We call and need warm clothing, but are there any cloths that are really warm? Which one is warm, living body or the dress they ware?

Practically, living body is warm. During winter when outside temperature goes below that that of the body, in that case we feel cold. That means natural temperature borrows warmth from us, so our bodies get adjusted with that of the level. So to keep our warmth from radiation we need such type of arrangement that would protect the heat of our body. We drink warm liquid, get near to the fire put on woolen clothe to keep our warmth from radiation.

House is built with wood, bricks, steel, asbestos, plastic materials etc. Material body needs so. For doves people make small house and for ostrich house must be tall. Goat farm and that of elephant must be different in size to accommodate.

Containers are also made different in size and shape to hold liquid and hard and solid objects. For oil and all other liquid materials you must make leak proof but to carry and keep some fruit you can make basket with bamboo.

Guest house is needed for the guest. May I ask you a simple question that is what type of house, you think, would be suitable to accommodate the supreme God? and since we have a great priest over the house of God,<sup>22</sup> let us draw near to God with a sincere heart in full assurance of faith, having our hearts sprinkled to cleanse us from a guilty conscience and having our bodies washed with pure water.<sup>23</sup> Let us hold unswervingly to the hope we profess, for he who promised is faithful.<sup>24</sup> And let us consider how we may spur one another on toward love and good deeds.<sup>25</sup> Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another--and all the more as you see the Day approaching. Hebrew 10:21-25

"Heaven is my throne, and the earth is my footstool. Where is the house you will build for me? Where will my resting place be? Isaiah 66:1

God is Spirit Being! He doesn't need any house that was made by material things. He is also holy, so no relation could be possible with liars. It is called that the heart of the believers are the house of God. He made His own house that is He created Adam, in His own image. A man being led by the Holy Spirit understands the intent of the Spirit that is the plan of God and the self-sacrifice of our Lord Jesus Christ.

<sup>14</sup> The man without the Spirit does not accept the things that come from the Spirit of God, for they are foolishness to him, and he cannot understand them, because they are spiritually discerned. <sup>15</sup> The spiritual man makes judgments about all things, but he himself is not subject to any man's judgment: "For who has known the mind of the Lord that he may instruct him?" <sup>1CO 2:14-16</sup>

Where the donations being collected in the name of the House of God go? But we must have provisions for evangelism, to send out missionaries, what they felt needed.
