---Rev. John Mark (Wahab).

Everyday sabotage, atrocities, barbarism, and all sorts of inhuman steps bring about to make a man of sense dumb. In this world, nowhere is secured. You are always endangered. Only one Rock, you would find ever secured! He is God who has perfectly been manifested in Jesus Christ. He is holy, omnipotent, beloved, compassionate, deserves spontaneous fellowship and forgiveness and long to abide in the fallen suffering humanity.

Only few have come to understand and been acquainted to Him. There are some commercial enterprises, which use Him for their personal benefit. Only few have been involved to speak for the living Lord and try to saturate and moisten this ruined world.

Jesus has manifested the Holy God through His life, precepts and actions. God is love. Jesus Christ has sacrificed even His unblemished life to exonerate the sinful world. He is the Truth, the Life, the Love, the Forgiveness, the Reconciliation and the Fellowship.

Sometimes we come across some organizations, registered as philanthropic one, but lack real love and compassion and practical fellowship. They must learn fresh lessons from Jesus Christ, who is the pinnacle of all divine virtues.

The Devin Jesus Christ, the living Word of God, has revealed Himself to the lost world. He asked His disciples to go all over the world heralding the message of Hope, Love, Forgiveness, Joy and Reconciliation. He also assured them to protect and use in every circumstance. There would be no power to snatch them out of His mighty hands.

Naturally, I get shock when some of my mails, concerning with evangelical matters, bounced back from such a philanthropic organizations. Some of them have never responded to.

The normal etiquette and the divine virtue would allow us making fellowship with all, being filled and duly led by the Holy Spirit, for the glory of our Father in heaven.

At any cost, we must evangelize this country. We are called out and set apart for that. People of God, all over the world, donate to shine this country with the splendid light and love of our Lord Jesus Christ. You cannot see virtues, but the impacts are visible like daylight. The whole country is being devoured and swallowed up by the darkness. People do not know the goal of our Lord. They have a gloomy idea on Him. The followers of Him are responsible to project the impact of the virtues, duly anointed and being poured in from heaven above, by the Holy Spirit of God. We are asked to love one another, without discrimination, unless, we would be dragged out of our futile dens and be consumed by that power of the darkness. It is time to get awaken up for the glory of our Father in heaven. Peace and grace be always abided in you all.
