

## Son

---Rev. John Mark (Wahab).

There is none who were dragged down to this mud house from the golden throne. Rather, a unique one has come down to this dirty quarrelsome world from the throne, holy of holies. The perfect love was rolled down upon the pyre as flash of water pumped on blazing bonfire to extinguish.

The fallen human being has the only and unique door to get rid of the sufferings for eternal life with the heavenly Father through His Son Jesus Christ.

Yes, people have the moral and legal right to understand the concept of the Father, of the Son and the Holy Spirit. They should see the roll model of them. They should witness the illuminated and regenerated people by the Holy Spirit. We are accustomed to comprehend the meaning of biological son, but it is hard to grasp otherwise, (1Cor 3:16, 17).

People do not know the magnitude of manhood. Even they do not believe that all people were created in the image of the almighty God. They are not willing to admit their own depravity, futility and sinful nature. Sometimes, other people get confused seeing the picture of evangelical activities in the society.

It is the invisible God who took the flesh in Jesus Christ to become visible before the fallen people with limited understandings. We have beheld the shining light and love of God through the Lord Jesus Christ who is hundred percent perfect in all round. (John 14:9).

Now it has become urgent to see Jesus in action through the evangelists in this polluted and ruined society.

Let us come forward to launching a campaign by the power of God to stir the world.
