

Evangelism- Dream or Practice

---Rev. John Mark (Wahab).

The beauty and fragrance of a rose is inseparable. When someone accepts a rose, indirectly he also welcomes the fragrance and beauty of that rose. Light, heat and rays are inseparable particles of the sun. Moon and moonlight are also inseparable. A living body must contain warmth, otherwise, that would be abnormal.

You cannot separate the innate faith of a born-again person in exchange of any earthly interest. When the Government of Bangladesh permits you, dear followers of Jesus Christ, to work over here, it has also permitted you to practice your faith wherever you go and visit or stay. You shouldn't raise the lame excuse that the said Govt. doesn't permit you to evangelize the un-reached people of Bangladesh.

Evangelism should not mean any special endeavor, such as an outward volcano. True evangelism is to touch the hearts of the people, touch their feelings, and help them compare their way of lives, thoughts, and attitudes and even everything with that of Jesus Christ, who asked his disciples to be perfect as the Father in heaven is perfect. It is true, the whole world has deviated from the true path of God, but the Father of compassion, out of love, made a way out of the deviation for his beloved. He sent his Son Jesus Christ to seek and find what was lost. The Lord Jesus Christ paid the penalty of sin of the world with his own blood and life. Satan has never given permission for any servant of Christ to work in any country. To say that, you won't go because the authorities won't let you go is an act of disobedience to God's great commission of going and preaching the Gospel to every creature. The question should be asked – who should we obey, God or men" From the beginning to the end of the scriptures we can read of God saying, "Go, tell my people, be reconciled to God." When are you going to stop giving excuses and start obeying God" God has given all authority in heaven and on earth to His Son who said He would never leave us. To: Advocate Cyril Sikder, Dear brother in the Lord, Thank you very much for your phone call. I sent some copies of our magazine herewith for your kind use please. You also would find a token money of Tk.500.= (Taka Five Hundred) only as a loving participation with *Kangali Vhoje*, you are going to conduct on tomorrow, the 15th of August, the martyrdom day of our great leader, late Bangabondhu Sheikh Mujibur Rahman—The father of the nation. Please keep praying for us, as we have been passing through financial crisis. Surely the compassionate Father who has all power and control in heaven and on earth is with us, no earthly authority has any power to fold back His plan given to us.
